

Play the World - Nintendo Wii

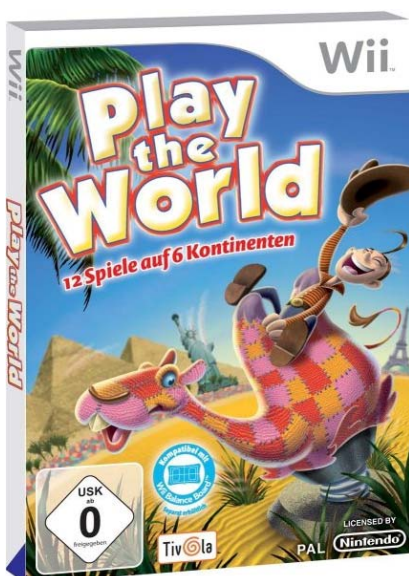

Content

Grab your Wii controller and let's get going! Between one and four players are going on a big round-the-world trip where they get to know each continent from its individual side. Here, it doesn't matter in what way you travel – there is lot's to see!

How about a rain dance in the desert of Africa, a seal-curling in the Antarctic – or an affair of honour against aggressive ninjas in Asia?
